Re: Compliance with European Union Directives

Lead acid battery produced by East Penn Manufacturing Company Inc. are exempt from the "RoHS Directive (EU 2002/96/EC)", however, they are regulated under several other European Union (EU) Directives:

Battery and Accumulators Directive (Directive 2006/66/EC)
Waste Electronics (WEEE Directive 2002/96/EC)
End Life Vehicles Directive (Directive 2000/53/EC)

East Penn Manufacturing Company lead acid batteries comply with the provisions as outlined in the above referenced EU Directives. With respect to REACH, lead-acid batteries are considered articles.

We hope that this information satisfies your request and should you have any additional questions please contact me at your earliest convenience.

Sincerely,
East Penn Manufacturing Company, Inc.
